Planting Irish Potatoes. It is almost time to begin, and the first thing to consider is the Seed. You may prepare carefully and fertilize freely, and without good seed make a failure. The genuine Bristle Beauty, or as often called, Stray Beauty, is a fine variety for this climate and soil. They are early, yield well, are of good quantity. Then, too, being early and vigorous they are not so much injured by the bugs as some kinds. However, as we said at first get the true seed. We saw some at Dr. Harris' Drug store yesterday that are beauties. They are grown in Maine especially for seed, and are certainly as fine as we ever saw. Go and look at them and you will educate your eye.

SOUTHERN TO HAVE NEW FAST TRAIN. Will be Put on Sunday, January 27th 1901 Between Atlanta and The East.

Another fast train to the East will be put on the Southern Railway next Sunday. It will be known as the "Atlanta and New York Express."

This is an entirely new train and in no wise affects the present schedule of the other trains of the Road. The object will be to provide improved passenger facilities at the several points between Atlanta and Charlotte at which the trains stop, and at the same time, relieve the Washington and South western Limited of heavy express and coach travel which that train now handles.

The new train will be No. 31 northbound and 33 southbound. It will leave Atlanta daily at twelve twenty p. m. (12:20 Atlanta time, one twenty (1:20) Eastern time, twenty minutes behind the Limited. Stops will be made at Norcross, Lucretia, Gansville, Lula, Mount Airy, Toccoa, Westminster, Seneca, Central, Eastley, Greenville, Greensboro, Spartanburg, Gaffney, Blacksburg, Kings Mountain, Gastonia and Lowell. At Charlotte where the train will arrive at nine ten p. m. (9:10), connection will be made with a through train from Columbia, Savannah and Florida, which reaches Washington the next morning at 7:55 a. m. and New York at 2:05 p. m.

Southbound the train will leave New York at 3:24 p. m., Washington 9:55 p. m. and arrive in Charlotte 8:05 a. m., leaving Charlotte at 8:20 a. m. The train will stop at the same stations as No. 31 northbound, and will reach Atlanta at 3:35 p. m. Atlanta time, 4:35 p. m., Eastern time which is twenty minutes ahead of the Limited.

The Washington and Southwestern Limited, which is to be relieved of coach-travel by the Express, will be made one of the highest class passenger trains in the Country. It will be a solid train of Pullman cars, with Diner attached.

Agents of Southern Railway will cheerfully furnish detailed information relative to this improved service. W. H. TAYLOR, A. G. P. A.

La Grippe Quickly Cured. "In the winter of 1898 and 1899 I was taken down with a severe attack of what is called La Grippe" says F. L. Hewitt, a prominent druggist of Winfield, Ill. "The only medicine I used was two bottles of Chamberlain's Cough Remedy. It broke up the cold and stopped the coughing like magic, and I have never since been troubled with Grippe." Chamberlain's Cough Remedy can always be depended upon to break up a severe cold and ward off any threatened attack of pneumonia. It is pleasant to take, too, which makes it the most desirable and one of the most popular preparations in use for these ailments. For sale by F. B. Gunter.
